50X1-HUM

1. Because of the unreliability of the present telephone network in Yugoslavia,  
the official Belgrade newspaper Borba is planning to set up a multi-channel  
radio communication system

50X1-HUM

2. The system will extend between Belgrade and a point still to be selected  
in the neighborhood of Ljubljana. It will have two to three channels  
and will be the usual visual range system with relay stations.
